Press Release

Steve Beard joins Summit 7 Systems

Huntsville, AL, February 23, 2011: Summit 7 Systems today announced that Steve Beard has joined the company as Vice President. Steve brings 20 years of helping young dynamic companies grow and develop. He was a co-founder of the Pinnacle Group, Inc. in 1991. As a Partner and Vice President of Sales, he helped guide the software consulting firm from \$1 million in sales revenue in 1991 to more than \$40 million in 1997. Over the 5 year stretch from 1993 until 1998 Pinnacle was recognized each year by Fortune 500 as one of the fastest growing privately held firms in Alabama and the U.S. Computer Science Corporation acquired the Pinnacle Group and its 200 plus consultants in 1997. Steve remained on board as a Senior Partner with CSC over the PeopleSoft, Oracle and SAP sales teams. In 2002, Steve and a very strong team of co-workers founded Summit Technology, Inc. with a commitment to build a world-class consulting and services firm based on client satisfaction and strong core values for its employees. Steve helped the Company grow to over 8 million in revenue by 2008 and 60 plus consultants.

Summit 7 Systems President and Managing Partner Scott Edwards said "We couldn't be happier to have Steve on board. He has the vision required to help us define our future and the experience to lead us there. Steve is a great addition to Summit 7 Systems."
